Possible Approval of a Grant Agreement for the Expansion: Increase slots and/or capital expense strategy

Senior Director Gary Arnold explained the need for this additional step to move forward on the Council's intent to expand the pre-K strategy into Salome and Quartzsite that was discussed at the February 28, 2013 meeting. The actual scope of work for expansion falls outside the existing agreement with the Arizona Department of Education, so a new grant agreement for FY 2013 in the amount of \$85,000 was written that will begin May 1, 2013. Vice Chair Mongeau requested clarification of the dollar amount, as well as the \$264,300 for FY 2014. Senior Director Arnold described how the grant would address the program needs in Salome and Quartzsite, and noted that it would not be eligible for renewal beyond FY 2014. Senior Director Arnold has discussed this extensively with Alma Quintana of the Arizona Department of Education and advised that they are ready to move forward if this agreement is approved. These estimated dollar amounts are in line with other pre-K startups the Council has funded in the past. Member Holloway made a motion to approve the grant agreement as presented. Member Garcia seconded the motion. Motion carried unanimously.

Adjourn
